Dedication

In gratitude for the many hours of service she has given DeLand-Weldon Senior High, the Senior Class dedicates this 1967 EAGLE to Ester Floyd, the high school secretary.

She patiently and unselfishly sells lunch tickets, writes absentee passes, and spends many hours each week advising the class and organization treasurers on financial matters. For these and many other unmentioned services, the class of '67 says

THANK YOU, MRS. FLOYD!

Dear Students:

As you look through this Yearbook, I certainly hope that it brings back good memories from the past school year. The emphasis in this book will be on happy and successful social and co-curricular events you and your fellow students have experienced together.

What makes these events happy reminders of your past experiences? Many things, of course, such as social contact with friendly students, comradeship of fellow students, successful social and co-curricular events, security of belonging, and education.

Education is the most important factor in having a happy response from looking at the Yearbook. The total success of last year depended on the education you received that year. If you didn't earn an education that will help make you a successful and satisfied person in the future, last year was a failure.

I sincerely hope your response to this Yearbook will be a happy one, indicating that you had successful social and co-curricular experiences as well as a successful educational experience.

Thank you for a successful year for myself.

Sincerely,

Robert L. Bowen

To the Student Body:

Life and death are natural events. We are joyful at birth and sorrowful at death. But, there is another view of "the tribute due unto nature" that offers beauty, faith and hope.

To you, the students, I offer these words from an alien land that could not suppress them; and these words express a meaning for Americans, Russians, and all the people of the world who have faith in mankind and faith in the Supreme Goodness.

Boris Pasternak's Dr. Zhivago tells us that life does not cease, but lives on in the memories of those close to us. He says, "what is it about you that you have always known as yourself? Your kidneys? Your liver? Your blood vessels? No. However far back you go in your memory, it is always in some external active manifestation of yourself that you come across your identity--in the work of your hands, in your family, in other people. And now, listen carefully. You in others--this is your soul. This is what you are. This is what your consciousness has breathed and lived on and enjoyed throughout your life, your soul, your immortality, your life in others. And what now? You have always been in others and you will remain in others. And, what does it matter to you if later on that is called your memory? This will be you--the you that enters the future and becomes a part of it."

Sincerely,
Jack E. Salmon

This year's homecoming theme "Fall Fantasy" accented the night of October 14 by presenting the football players and their dates in full regalia.

To rally the Eagles to victory, team spirit and plenty of good ole' determination was created at the bonfire and pep rally preceding Homecoming night.

Music provided by Danny Beck's band ushered in the royal court and climaxed the evening with an annual celebration dance.

1966 was the first year for pom-pom girls at DeLand-Weldon Senior High. These four girls did routines with the band at football and basketball games and marched with the band in six area parades. The pom-pom girls worked long hours to perfect their performances and certainly did a wonderful job! Both the majorette and the pom-pom girls were under the excellent direction of Mrs. Jim Bader.

The chorus has many moments to remember after preparation for the Christmas Concert. They shared their Christmas spirit with residents of a Decatur nursing home by caroling to them. Later in the year, they were busy preparing for contest. Mrs. Vest had many ideas that added to the effect of the music.

Math

The Mathematics Department branched out to three different teachers this year. Beginning with the basics and stretching to abstract concepts. Math this year was a challenge to teachers and students alike. Mrs. Stokes did her student teaching during the second nine weeks.

Social Studies

A knowledge of the past, as well as the future can be gained in the Social Studies department of D-W. Two new teachers have taken the responsibility of teaching the American Problems, World History, American History, World Geography and Sociology classes.

English and French

Language, whether French or English, is one of the important means of communications that one can develop. To increase our knowledge of languages, classes in college preparatory English, basic three years of English, and two years of French are taught to emphasize the skills of improved communications.

Business

BUSINESS

To better prepare a student for a business career, courses in (1) bookkeeping, (2) shorthand, (3) notehand, (4) business English, and (5) typing are offered at DeLand-Weldon.

This year a new course was introduced, (3) notehand. Like shorthand, notehand emphasizes the transcription of notes, but for a more personal use. This easy-to-learn method of writing makes note taking more rapid and much simpler than by the long-hand method.

S c i e n c e

The science classes learned that planning ahead is an important fundamental of experimenting. Classroom discussions and explanations by Mr. Edman and Mr. Erickson served as the link between the information and the student's understanding. The biology students attempted to draw what they saw under the microscopes. Also they learned to associate this with living larger animals.

Agriculture

The Agriculture boys studied about motors and agricultural mechanics. The course is taught by Mr. Gregory who prepares the boys for agricultural occupations.

Industrial Arts

The Industrial Arts boys work with such things as leather crafts, woodcraft, looms, sheet metal and other materials. Due to the fire at the Junior High School classes were moved to the high school, where a new Industrial Arts building will be built.

Tony

Our first memory of a foreign exchange student was brought to us by Tony Cordero from Costa Rica. His host family, the Lonnie Smith's, learned about life in the Midwest. Tony has returned to his home now, but we still have our memories of him.

Senior Class Will

We, the Senior Class of 1967, being of superior mental ability and exceptionally sound mind, do hereby bequeath to the underclassmen of this high school our worldly possessions and pleasant memories.

Being under no undue pressure or influence, we hereby publish and declare this to be the last will and testament.

- I, SHERRIE ANDERSON, will my rings, with all feeling that they convey, to Kathy Allan.
- I, ARETA BAKER, will my height to Steve Gantz in hopes that he won't have to stoop over so far to tie his shoes.
- I, KATHY BECKER, will my ability to get along with the Farmer City boys to Nola Buchanan.
- I, KENNY BECKER, will my ping-pong ability to "Easy" Dobbs.
- I, MAC BERGLAND, will not return to school next year with any luck.
- I, JIM CONASTER, will my car to Ronnie Roy.
- I, LUKE CONOVER, will my height and weight to Bruce Grant.
- I, GREG FOSTER, will my ability to get along with the Farmer City boys to Bruce Wilson.
- ① BETH GANTZ, will my wiggle to JoAnn Swartz.
- I, CONNIE GIBSON, will my contact lenses to Karla Borton.
- I, SANDRA GOBLE, will my ability to survive one whole year in a freshmen P.E. class to the next unsuspecting victim.
- I, DWIGHT GREGORY, will my football ability, weight lifting workouts, and Bible devotions to my brother, Darrell.
- I, DOUG HALCOMB, will my hall monitoring post with all its authority to Paul Conover.
- I, PHIL HERMANN, will my ability to play the clarinet to Gretchen Gay.
- I, VICKI HOGAN, will my red curly hairs to Lannette Burton, in hopes that she can do more with them than I can.
- I, DAN HUISINGA, will my square-toed football shoes to Don VanZandt in hopes that he won't miss the ball on the next kickoff.
- I, RICK LEISCHNER, will my great jumping ability and trim figure to our future cheerleaders.
